

SOAKING PRAYER

We warmly invite you to attend these services of soaking prayer.

Recognizing that we live in a rushed and noisy culture, we want to provide you a place of quiet to experience the presence and ministry of the Lord. These are drop-in services of silent prayer and instrumental music. You may come to seek the Lord through prayer, reading, journaling, or simply resting in His presence. Prayer teams will circulate to lift you up silently in prayer. You may write your prayer concern for them to read on a card we will provide. We hope you will come to seek the Lord for peace, encouragement, rest, or any form of healing (relational, physical, emotional, or spiritual).

If you have questions, please contact Jasona Brown: JBrown@GreenwoodCC.com or at 720.381.3759.
