

Opportunities to serve refugees, immigrants and homeless on East Colfax

With our mission partner Restoration Outreach Programs (ROP)

1) **Food Bank Volunteer**- Each week the Whole Foods at Southglenn donates "expired" fresh fruits and vegetables to the Food Bank at ROP. They are looking for a driver to pick up these items on Mondays at 11:30 am and deliver them to ROP. These food items make a big difference in the nutritional health of those who come to pick up food each Tuesday at ROP for their families! They could also use some help with set-up and clean-up for the food bank. If interested, contact Tish, tish@restorationoutreachprograms.org

2) **Reading Tutors**- Crawford Elementary School is an Aurora Public School with the majority of children coming from refugee or immigrant families. There is a large need for helping children learn to read in English. Spend a couple hours each Tuesday after school making a difference in the lives of these kids! If interested, contact Ashley, ashley@restorationoutreachprograms.org

3) **English Teacher**- One of the most crucial needs for refugees and immigrants is to learn English. ROP offers free classes Monday-Thursday mornings for various levels of English. There is an urgent need for another teacher and co-teacher. You don't have to be a certified teacher for this volunteer role — you just need to love teaching and helping others learn! If interested, contact Angie Long, angie@restorationoutreachprograms.org

4) **Pedal4aPurpose**- annual fundraiser for ROP's programs is happening Saturday, September 21. Bike, Run, or walk 5K-100K! Invite some friends and sign up today at: <https://www.runningguru.com/E1.asp?eID=57607>
