## Pictorial Directory

**WE NEED YOU** to be photographed. Our new pictorial directory will not be complete without You!

*This is not just a "snap shot."*

### WHY A PICTORIAL DIRECTORY?

Directories are a valuable, important resource for our community to build connections between Clergy and Church Members.

**THE SESSION IS A FREE OPPORTUNITY** to have a professional portrait created for posterity.

**THE ENTIRE PROCESS** will take approximately 30 minutes. At your scheduled appointment time you will be photographed and immediately review your images.

**ONLY THOSE THAT PARTICIPATE** will receive a copy of the directory and a gift of a FREE 5x7 portrait from Pictorial Services.

### APPOINTMENTS ARE AVAILABLE at Greenwood Community February 26 - March 9 Only.

The same free gifts and discounted pricing are also available over the summer at Bettinger Photography's Englewood studio.

*This is not "just for the directory."*

**THIS IS THE PERFECT TIME** to purchase professional portraits for your home, gift giving, Christmas cards, or business headshots.

**OF COURSE YOU WANT TO LOOK YOUR BEST** in the pictorial directory. Take the time to plan what you will wear. You can dress casual or formal. No matter what, we recommend long sleeves and solid, medium to dark tones.

*More clothing suggestions can be found at [www.BettingerPhoto.com](http://www.BettingerPhoto.com)*
